Regional Basket Raffle: Regions 2, 4, 6, 8 10

Members in even-numbered regions are invited to donate items for inclusion in this year's regional baskets. Basket contents typically feature regional, non-perishable delicacies or specialties (e.g. ice wine, vacation packages). The baskets will be raffled at convention, with proceeds to be donated to a community organization. If you would like to contribute, please contact Bill Hannah at the HSA office (bhannah@hsabc.org).

Convention Delegate Entitlement

As the elected HSA Chief Steward in your Chapter, you will represent the interests of your membership at the annual convention. Assistant, General, or Site Stewards should replace Chief Stewards who are unable to attend the convention.

For Chapters with up to and including 49 members, the HSA Chief Steward or designate is automatically the delegate. This is the only chapter member allowed to vote at the convention and the only member reimbursed for expenses related to attendance at the convention.

Chapters with over 49 members are entitled to elect an additional delegate for every 50 members (or portion thereof), as per Article 7, Section 5 of the Constitution.

An accompanying list specifies the number of delegates our records indicate each chapter is entitled to send. If you have any questions about these figures, please contact Wendy Scarrett at the HSA office.

These additional delegates must be:

1. Employed in the chapter they seek to represent.
2. A member of HSA as per Article 5, Section 1(a) of the HSA Constitution.
3. Nominated and elected at chapter meeting to elect delegates.

In addition, all Members-at-Large and Regional Directors are automatic delegates to the convention. Please also note that if an HSA Labour Council Delegate's chapter allotment is met, but they wish to attend convention, they are eligible to apply to attend as wage and expense reimbursed participants without voting status. HSA reimburses one delegate per Labour Council.

We urge you to have your special chapter meeting to elect convention delegates and to vote on resolutions to convention as soon as possible.

Online registration must be completed by midnight, March 7th, 2014. HSA is unable to guarantee accommodation for any registrations received after this date. In the event that a delegate has to make alternate accommodation arrangements, HSA will only reimburse such delegates up to the cost that would have been incurred had the delegate registered by March 7th, 2013 at the Fairmont Hotel Vancouver.

Please ensure that each delegate is provided with a copy of the HSA Convention 2014 Online Registration Instructions and Education Workshop notice.

Your co-operation is appreciated to ensure that your chapter is properly represented at these very important functions. For further information, please contact Wendy Scarrett at the HSA Office. We look forward to seeing you at the 43rd Annual Convention!

In solidarity,

Rebecca Maurer
