

\*Contrary to the agreement, HSA as a member of the Nurses' Bargaining Association has not been provided with information on the Blue Rx plan, and instead circulates this pamphlet produced by BC Nurses.

BC NURSES' UNION

Standing up for health care

## BLUE Rx IMPROVES NURSES' ACCESS TO PRESCRIPTION DRUGS

Almost DOUBLE the drugs are available under Blue Rx than under Pharmacare Tie-In

and

NO MEMBERS LOSE COVERAGE as a result of the change from the current drug plan to Blue Rx

### PHARMACARE TIE-IN

73% of the Pharmacare formulary is automatically covered

## THE TOP FOUR THINGS BLUE Rx MEANS FOR YOU

- 1) More drugs are covered. Approximately 650 drugs under Pharmacare Tie-In and now 1,200 drugs under Blue Rx. Your drug coverage has almost DOUBLED.
- 2) 92% of drugs are automatically covered with no additional processes.
- 3) NOBODY WILL LOSE CURRENT COVERAGE as a result of the change.
- 4) Birth control pills will continue to be covered for RNs, RPNs and LPNs will get this additional coverage immediately upon ratification.
